## Delivery

Fees are determined by both the size of your order and the distance to your venue from our shop. If you need your flowers delivered, please let us know when you book.

## Venue Set-Up

If you have any large or hanging arrangements, we offer a full set-up service for addresses within our Auckland service area (Hatfields Beach to Papakura). This service is subject to an hourly rate, plus mileage to and from your venue.

## Vase Hire

We have a range of gorgeous vintage-style vases available for hire at a rate of \$5 per item, per day. We can also source brand new vases and décor items for you to purchase if you so wish.

# Terms & Conditions

---

## Bookings & Payments

All bookings are accepted on a first-come first-served basis, and are only locked in after we've received your 50% deposit. The remaining 50% of your bill will be due no later than 3 weeks out from the date of your wedding.

## Cancellations

For cancellations made prior to one month before the wedding a full refund will be offered, less a \$50 cancellation fee. Cancellations made one month before the wedding or later will result in a forfeit of all payments made, as by that point we will have already pre-ordered and paid for your flowers from our growers, as well as put a considerable amount of time into planning, design, and logistics.

For cancellations due to COVID-19 restrictions, a full refund will be offered, less any costs we have already incurred.

## Substitutions

Due to the changeable availability of flowers, a substitution may sometimes be necessary in order to fulfil your order. In the event of a substitution we will take reasonable care to maintain the style, theme, and colouring of your wedding flowers, using blooms of equal or greater value. We will contact you to discuss your options should any significant changes be necessary.

## Hired Items

All hired items become the responsibility of the customer during the hire period. All items must be returned to our shop within 2 days after the date of the wedding, unless a prior arrangement has been made. Late returns will incur an additional fee of \$5 per item, per day. Lost, damaged, or unreturned items will be subject to full replacement costs, payable by the customer.
